

CURRICULUM VITAE

Name: Assoc. Prof. Dr. Jutatip Sillabutra

Nationality: Thai

Address: Department of Biostatistics
Faculty of Public Health,
Mahidol University

E-Mail jarchapitak@yahoo.com,
jutatip.sil@mahidol.ac.th

Education:

1. Degree of Doctor of Philosophy : Ph.D.(Mathematic)

Year : 2004

From : Faculty of Science, Mahidol University, Thailand

Thesis : Mathematical Modeling of Fluid Flow and Heat Transfer under
Electromagnetic Force in the Continuous Steel Casting Process

Scholarships:

The Royal Golden Jubilee Ph.D. Program scholarship from the Thailand Research Fund, Thailand (2001-2004)

2. Bachelor Degree: B.P.H.

Year: 2009

From: Sukhothai Thammathirath Open University

3. Bachelor Degree: B.Sc. (Mathematic) second class Honor

Year : 1998

From: Faculty of Science, Mahidol University, Thailand

Senior Project: 2-D Heat Transfer and Solidification of Steel in Continuous Steel
Caster

Scholarships:

Development and Promotion of Science and Technology Talents Project (DSTP),
Thailand (1997-2000)

Awards:

The good project prize in Mathematics of DSTP's student presentation.

WorkExperiences:

September 2004 – October 2013: ASEAN Institute for Health Development,
Mahidol University

November 2013- Present : Department of Biostatistics,
Faculty of Public Health, Mahidol University

Field of Specialty/Research Interest:

Biostatistics, Mathematical Modeling, Project Evaluation, Quantitative Research

Attended Training Course:

1. Management of Community-based Prevention and Care of HIV/AIDS, 14-27 August 2005, ASEAN Institute for Health Development (AIHD), Mahidol University, Thailand.
2. Workshop on The Social and Economic Impact of HIV/AIDS in Southeast Asia, 3-7 October 2005, Antipolo City, Philippines.
3. International Training course on : Early Warning Rapid Response Systems, January 17-27, 2006, National Institute for Child and Family Development (NICFD) and ASEAN Institute for Health Development, Mahidol University, Thailand.
4. Workshop on “Health Policy Research and the CO-Ordination of Research Strategies”, April 4, 2006 – May 5, 2006, Mahasarakarm University, Thailand
5. Workshop on “Analysis by advance statistics”, July 13-16, 2009, Thailand Research Association”
6. Workshop on “24th AUN-QA Workshop for Accomplishing Programme Assessment”, Crowne Plaza Bangkok Lumpini Park Hotel, 3 – 6 April 2018
7. Workshop on “10th Assessor Training Workshop for AUN-QA Programme Assessment (Tier2)” , 16– 22 February 2019, Pathumwan Princess Hotel, Bangkok, Thailand

Research Experience:

1. Unit Cost Analysis for Master Primary Health Care Management Program, ASEAN Institute for Health Development, 2004 Funding: ASEAN Institute for Health Development
2. Knowledge Management for Holistic Health Promotion Organization Development by Participatory Action Research, ASEAN Institute for Health Development Mahidol University, 2006-2007 (Co-investigator)
3. Department of Disease Control’s Performance Evaluation Analysis Report for 2006 Fiscal year. Funding: Department of Disease control, Ministry of Health
4. Department of Disease Control’s Performance Evaluation Analysis Report for 2007 Fiscal year. Funding: Department of Disease control, Ministry of Health
5. Department of Disease Control’s Performance Evaluation Analysis Report for 2008 Fiscal year. Funding: Department of Disease control, Ministry of Health
6. Department of Disease Control’s Performance Evaluation Analysis Report for 2008 Fiscal year. Funding: Department of Disease control, Ministry of Health
7. Department of Disease Control’s Performance Evaluation Analysis Report for 2009 Fiscal year. Funding: Department of Disease control, Ministry of Health
8. Department of Disease Control’s Performance Evaluation Analysis Report for 2010 Fiscal year. Funding: Department of Disease control, Ministry of Health
9. Knowledge Attitude and Practice of Leader of Community Herbal Product Producer, ASEAN Institute for Health Development and Food and Drug Administration, 2009

Funding: Food and Drug Administration, Ministry of Health

10. Economic self-reliance in Thai families, ASEAN Institute for Health Development and Food and Drug Administration, 2010(Co-investigator) Funding: Ministry of Social Development and Human Security
11. Unit Cost Analysis of Health Education Activities at Health Care Unit in Fiscal Year 2011 Funding: Health Education Division, Ministry of Health
12. Development of Health Literacy of Secondary School Students Project 2011 (Co-investigator) Funding: Health Education Division, Ministry of Health
13. Evaluation of Using Practical Guideline Manuals for Health Promoting Hospital(2011) Funding: Health Systems Research Institute.
14. The development and Initial implementation of a Thai Health Literacy Tool. (2012) (Co- investigator) Funding: - MOU: AIHD, HSRI, and Deakin University.
15. Knowledge, attitude about Pre-exposure prophylaxis for HIV infection and factor associated with Pre-exposure prophylaxis for HIV among men who have sex with men (2015-2016) (Co- investigator) Funding: CMB, Faculty of Public Health, Mahidol University.
16. Attitude and Behavior of Consumers towards on Thai Herb Product and Thai Medicine Service in Fiscal Year 2557. (2015-2016) (Co-investigator) Funding: Department of Thai Traditional and Alternative Medicine.
17. Influence of cigarette promotional items and social marketing: A case study in health warning picture toward smoking behavior of Thai youths (2015-2016) (Co-investigator) Funding: Tobacco control research and knowledge management center (TRC).
18. Project evaluation and lessons learned for the prevention and drugs problem solving in the Community (2015-2017) (Co- investigator) Funding: Bangkok Metropolitan Administration.
19. Development advertisement pattern of 1600 using public health network for people and sustainable community (2016-2017) (Co-investigator) Funding: Thai Health Promotion Foundation.
20. The Result of Employment Policy Development and Knowledge Transferring to Enhance Work Ability and Quality of Work Life among Thai Senior Professors in Health science area in Thai Universities. (2017-2018) (Co-investigator) Funding: National Research Council of Thailand
21. Development of Intermediate and Long Term Care Model for Dependent Elderly by Enhancing Competency and Employment of Retirement Nurses as Care Manager (2017-2019) (Co-investigator) Funding: Government Research Fund , Mahidol University.
22. Development of policy in transferring of work ability and enhancing quality of work life for work effectiveness and work extension after retirement among senior faculties in Thai Universities (2018-2019) (Co-investigator) Funding: Health System Research Institute.
